PLXPMT1901

Free-Blow Air Conditioning Systems

Optional Plenum is available for models UCQ090 to UCQ180, for free blow application.

Anti-corrision Unit Casing

The unit is constructed of electro-galvanised steel body with epoxy powder coating. Hence, the unit is suitable for both commercial and industrial application.

High Efficiency Hermetic Scroll Compressor

Incorporating with Hermetic scroll compressor from Danfoss and Copeland, contributing quiet operation and high efficiency performance.

WATER COOLED PACKAGED

R410A The Ozone-Friendly Refrigerant.

R410A refrigerant has no chlorine content which do not contribute to the depletion of the ozone layer.

Excellent Thermal Barrier

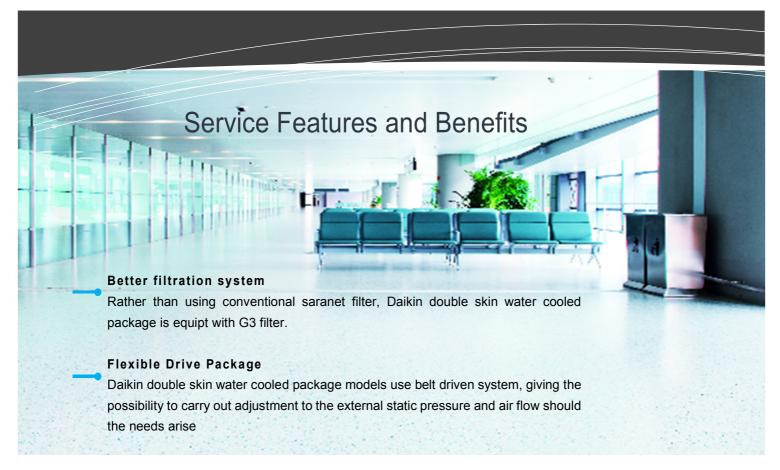

All the frameworks come with 1 inch double skin PU insulation panel to create a thermal barrier between the internal and external of the unit.

Daikin UCQ Water Cooled Package Series is the ultimate solution addressing the simplicity, energy efficiency, reliability, indoor air quality and economically concerns for Commercial, Industrial and Institutional buildings.

These models offer simple system design, ease of operation and maintenance, low noise level and economical life cycle cost.

Every model is lab tested in accordance with ASHRAE Standard 22, in the ETL certified test lab, as Daikin's commitment to provide high quality products to the customers. All models are factory assembled, leak tested, pre-charged with R410A refrigerant.

| Model | Nominal | Nominal | Nominal | Power | Nominal | EER | Precharged | Nominal | Nominal | Water Pipe | | Sound | Unit | Unit Dimension | | sion |

Note:

All specification are subjected to change by the manufacturer without prior notice. Nominal cooling capacity are based on condition below:

2.

| Indoor Temperature | 26.7°C DB/19.4°C WB | | | | | |
|------------------------------------|---------------------|--|--|--|--|--|
| Condenser Inlet Water Temperature | 30°C | | | | | |
| Condenser Outlet Water Temperature | 35°C | | | | | |

Sound pressure level is measured from 1m in front and below the unit.
